

How to Become a Member of African LEAF Limited

There are two ways you can become a member of African Leaf Limited:

Ordinary members (One-off joining fee of \$100 plus \$20 annual subscription fee*)

Ordinary members (full members) have a right to vote at Annual General Meetings (to elect directors etc) and at other Special Meetings. They receive notices regarding such things as changes to the Constitution and other 'major' issues. (Note: they do not have the right to attend or vote at normal monthly Director's Meetings unless they are elected as directors).

Associate members (One-off joining fee of \$10 plus \$20 annual subscription fee*)

Associate members have no voting rights.

Fill out the Membership form attached and forward it to **PO Box 1823 Byron Bay NSW 2481** with your membership fee.

Whichever membership option you choose, we'll let you know as soon as your Membership is approved and then keep you up to date with three newsletters a year, invitations to events and updates on the children's progress and village developments.

Your support of our work is invaluable to us and helps to provide the opportunities that every child deserves.

**The subscription period is from 1 July to 30 June each year.
Members joining between 1 January and 30 June initially pay only
one-half the annual subscription.*

*The potential financial liability of all members is limited to \$10 under the company
constitution*
